

ATTENTION

RECREATIONAL FISHERS

Do you **FISH** recreationally **within** or **adjacent** to the **fishing zone** at **MARIA ISLAND MARINE NATURE RESERVE**?

Do you want to **HAVE YOUR SAY** in the **future management** of recreational **fisheries** in Tasmania?

Are you concerned about the **BENEFITS** or **DISADVANTAGES** of

marine protected areas to recreational fishing?

If you answered **YES** to any of these questions then I would like to **invite you** to consider **participating** in an honours **research** study

for the Australian Maritime College

Your input into this research could assist in achieving better and fairer management outcomes for recreational fishers and the Maria Island Marine Nature Reserve.
